By joining together, we – Homeowners, Homebuyers, community partners and our Team Members – can make a significant impact in our communities through the David Weekley Homes CARE program, which we define as:

- C** Committed to building community character... encouraging a culture of caring and contribution with our Team Members, Customers and Community.
- A** Active in our Community... engaging our communities through Team Members completing hundreds of projects and The David Weekley Family Foundation donating more than \$100 million to worthy causes over the past 20 years.
- R** Responsible to our Community... living up to our responsibility of *Building Dreams and Enhancing the Lives* of our Team, Customers and Community.
- E** Enhancing our Community... living a life of service to provide true meaning and purpose.

About INK! Investing in Kids

St. Johns County Education Foundation recently rebranded itself as Investing in Kids (INK), which is the direct support organization for the St. Johns County School District. As a 501(c)(3) non-profit, INK leads efforts to directly benefit the educators and students within the school district. Our programs and events strive to provide the tools and resources that are necessary to help each child reach their full potential. Since 1994, Investing in Kids (INK) has led the effort to cultivate success for students and teachers through funding, initiatives, and inspiration.
