PEACE OF MIND

DAVID WEEKLEY'S PROGRAM

EnergySaver

- Environments for Living Platinum Level Certified Energy Efficient Homes. This nationally recognized program includes 3rd party inspections, testing and certification of the home's energy efficiency qualifications specific to meeting EFL's Platinum Level standards
- Ask about EFL's Guaranteed Energy Usage and how it will reduce your monthly energy bills
- High efficiency 14 SEER cooling system
- Heat pump
- Single sided, foil faced radiant barrier roof decking to keep your attic cooler and reduce heat load on your AC system
- Programmable thermostats
- Majority of light fixtures with CFL bulbs
- Poly sealant at base plates, doors and windows to prevent air infiltration
- Low E, vinyl, double pane, energy efficient windows throughout
- Kitchen vented to exterior of home
- Ductwork and plenums sealed with iron silicate/zinc mastic, to produce a largely improved duct system with a very low leakage rate
- AC duct systems tested with duct blaster to validate minimal duct leakage and improve energy efficiency
- Water-resistant, paperless tile backer board and anti-fracture membranes, to eliminate transmission of moisture through seams or fasteners into the wall cavity
- Balanced HVAC system with jump ducts in secondary bedrooms to balance hot and cold temperatures
- R-15 in exterior 2x4 wall system
- R-21 in exterior 2x6 wall system
- R-38 batt/blown fiberglass insulation
