Amazing experience

The entire home building process went so well. Julian was a great help when we started the process very helpful and informative. Our builder Jace was also amazing throughout the home building process!

Great Builder

This is the second David Weekley home we have built and the experience was just as good as the first time. We worked with Sam, Jordan, and Nick and they were all professional and helpful. A pleasure to work with.

2nd New Build Purchase

The sales consultant and builder did a great job of keeping us informed throughout the new build process, much better than our first experience with a different builder.

Attention to detail

We have purchased ten homes. This one was by far the best built home we have owned. Attention to details was obviously a goal important to the builder. Best walkthrough experience in my 25 years of buying real estate.

Best Homebuying Experience Ever

We have had several homes built in the past by several homebuilders. Our experience with David Weekley was the best we have ever had. The attention to detail and the customer service were exceptional. Both our sales person and Project Manager kept us well informed and treated us like family. Thanks David Weekley

Greatly exceeded every expectation! A+++!

The entire experience was excellent from the first day I showed up to look at houses. The whole team came together to provide a truly quality house that I will be living in for years to come. Kajal helped me purchase the house and coordinated all meetings. She was very cheerful and professional at all times and I could tell that she cared about her clients and my family. Jeff and Robbie were builders that always went the extra mile to ensure total customer satisfaction. Jeff was very helpful and I am grateful to his management and know that I will be moving in to a house that is built right with a great attention to detail... Ashley also provided Kajal with assistance whenever Kajal was not available. I could not be happier with everyone involved in building this house. David Weekley is a great company and I would enthusiastically recommend them to others needing a quality house built in the future. Thank you for such a great experience and I hope that this company continues to grow.
